Additional Community Service Hours Form **2016-2017**

Student Name: <small>Print Name</small>	Grade:
---	---------------

- Students are reminded that completing community service hours is an expectation of the Religion curriculum, therefore it is expected that service work be completed in the semester in which they are enrolled in a Religion class.
- However, since students are encouraged to make service work a part of their daily life, it is understood that students will likely participate in community service outside of the semester they are taking Religion as well.
- Please complete this form as a record of all community service work completed outside of a Religion course.
There must be a supervisor's signature and / or a signed letter accompanying this form to verify the work completed.
- All additional hours accumulated will be submitted toward the minimum 40 hours of service required for the OSSD.
- Students are reminded that they must still complete hours as required for their Religion credit, unless approved by their teacher and the Religion Program Chair.
